

RE/MAX Cayman Islands Art Competition Winners

RE/MAX Cayman Islands and the Caymanian Compass collaborated once again to create the RE/MAX Art Competition with the support of Audiophile and the Hobby Shop. The art competition is now in its 4th year, seeing students from the ages of 5-17 years taking part. Over 100 items were entered this year.

Though the judging can be quite difficult choosing the winners from the different categories, RE/MAX Cayman Island and the Caymanian Compass are please to see the vast amount of work that the students has put into this art competition, and look forward to seeing them again the following year. "I must say that I spoke with a few parents and they thought that the competition and event was wonderful and the kids had a great time. This is a wonderful way to encourage the arts and to encourage the young to get out there and show what they can do. We are always amazed to see how many students take the time to send in their work and we have the very difficult job in reviewing all of them to select a winner. We are also grateful to all the support that we have from our supporters and sponsors but most of all it

The children proudly present their artwork with RE/MAX Sales Associates Kerri Kanuga, Michael Binckes, Broker/Owner James Bovell, Kass Coleman, Tatum Jose, Peter Takacs and Cayman Free Press Holly Uzzell

is wonderful to recognize individual for their wonderful achievements," says James Bovell, Broker/Owner RE/MAX Cayman Islands.

"Once again the RE/MAX Art Competition has proven to be a hit with the children in Cayman. The standard of artwork gets higher and higher each year and it is a real joy to judge the entries and to see how much artistic talent there is on the island. We even had a finalist from the Brac this year which was great. The Caymanian Compass will continue to support

the art competition and also thank our other sponsors The Audiophile and The Hobby Shop in Governor's Square. We look forward to next February when we start the competition all over again!", says Anne Mason, CFP Marketing Supervisor.

The 1st place winners art work will be displayed on the back cover of the Chamber of Commerce Magazine throughout the year.
